Universal Accounting & Financial Services Inc.

With over 19 years' experience serving the South Florida region, Universal Accounting & Financial Services Inc. is able to offer a wide range of accounting and tax services designed to suit its clients' individual needs. To showcase the firm's success in this year's Accounting, Audit & Tax Awards we profile it and share an insight into the work it undertakes.

Universal Accounting & Financial Services Inc.

Leading the South Florida market for accounting and tax services, Universal Accounting & Financial Services offers responsive, innovative services designed to meet its clients' ever-evolving needs and exceed their ever-rising expectations.

By combining the expertise, experience and the energy of the firm's staff, each client receives close personal and professional attention. The firm's high standards, service and specialized staff spell the

difference between its outstanding performance and that of other firms. When clients work with Universal Accounting & Financial Services they receive the expertise and experience of each and every member of this dynamic company and can rest assured that they are in safe hands.

Through hard work and a commitment to excellence, Universal Accounting & Financial Services has earned the respect of the business and financial communities. This respect illustrates the firm's diverse talents, dedication and ability to respond quickly. Services offered by the firm include tax support, business accounting and Quickbook services as well as individual tax support.

Operating in such a fast-paced and constantly evolving market, the team at Universal Accounting & Financial Services feel it is extremely important to continually professionally educate the entire team to improve cutting-edge technical expertise, financial knowledge and service to their esteemed clients. This ensures that the team are always ahead of emerging market developments and able to adapt around these.

Overall, Universal Accounting & Financial Services' primary goal as a trusted advisor is to be available to provide insightful advice to enable its valued clients to make informed financial decisions. This will remain the firm's ongoing focus as it looks towards a bright and exciting future.
